

nermin ★★

Nermin is a mother and has volunteered helping midwives and doulas in hospitals in different countries. She has spent 12 years working with pregnant women, both antenatal and postnatal. She can provide evidenced based information such as infant feeding, emotional and physical recovery from birth and mother and baby bonding.

Nermin comes from a woman's health care background and is very passionate about postnatal care. Her calm caring approach and attention to detail is what makes her a great doula. You are in good hands with her.

Client Feedback

"Nermin was our night doula; she was calm and really helped us get on a routine."

"Nermin was able to help us get the rest we needed to function while she took care of our little one. BIG THANK YOU!"

"Thank you, thank you, our baby's life benefitted in all areas from the time you spent with him. We couldn't have gotten back to feeling normal without you!!"
