

Saleena

Saleena has just completed her License Practical Nursing program (LPN nurse) with Sprott Shaw College and would like to focus on newborns and new mothers. Saleena is calm and very detailed in her doula care.

3. Harvey Karp - Happiest Babies
4. Keeper of Rituals
5. Infant CPR
6. Criminal Record Check

CLIENT FEEDBACK

Saleena was a great help to our family. I was able to get the rest I needed to recover from my cesarian delivery.

Our baby had to be held upright for the first three months from Reflux. She was just what we needed for night care.
