

simran

Simran has a wealth of experience, having worked with 30 different babies, including twins and triplets. (The second case of identical triplets in history). She loves working with newborns and, by watching and listening can find different ways to calm and soothe them. She is patient with babies as well as parents, helping everyone to have a peaceful night.

Simran is able to help parents with light household chores laundry and sterilization of bottles and pacifiers. She speaks and writes in three different languages; English, Punjabi and Hindi. When she isn't caring for families, she enjoys dancing, cooking and badminton.

Criminal Record Check

Client Feedback

"Simran brought her calm demeanor and youthful energy to our household. She gave us the gift of sleep as she formula fed, diapered and settled our twins. My husband and I were able to sleep through the night."
